

Meeting Notes: 4/3/2017

- Welcome!
- Election 2017
 - Election Committee
 - Peter
 - Jacob
 - Dan
 - All officers shall be elected during the first full week of April.
 - An SA official must be present at elections.
 - Elected officials are elected for a term of one year, but may be re-elected to the same office or another office the following year as long as they remain eligible as Full Members.
 - Newly elected officials shall assume their positions on May 15th. Between the election and this date they must shadow the person currently holding the position to which they have been elected.
 - The date and time of elections shall be announced and advertised at least 2 weeks in advance of the election date.
 - Prior to the election an Election Committee shall be chosen by the executive board of three club members who are not running for office. This Election Committee shall be tasked with counting votes and assuring the vote is a true representation of the clubs choice for leadership. The Election Committee will also approve candidates based on their club involvement. The goal of this approval is to prevent unmotivated and uninvolved members from rising to the executive board.
 - For cases of being a Full Member the definition of active in club activities will hereafter be defined by attendance and participation in at least two (2) service events per semester as well as attendance at the majority of general meetings and/or being considered active in a project group. Whether they are active in a project group is decided by the project leader.
